

By road from London on M3 (travelling South) or Winchester on M3 (travelling North)

1. Exit the M3 at J3 and follow signs south to Guildford, down the A322 dual carriageway.
2. Go 1.5 miles to the bottom of the dual carriageway. At the roundabout, take the second exit and continue down the A322.
3. Continue for half a mile until you see the Inn @ West End pub on the right
4. Go past the pub and the office building, and the gate to Dorna House is on the right

By Rail

1. Brookwood is the nearest station and is on the Waterloo-Basingstoke line through Woking, which has a good service. Waterloo is the terminus for the Eurostar service to Europe.
2. There are roughly four trains an hour from London, but you can also travel to Woking and change there.
3. Once at Brookwood Station take either a taxi, or call the office to see if a ride can be arranged.

From Heathrow Airport

There is a rail/air/bus link service which operates two buses every hour between Heathrow Airport and Woking Station, from where you can get a train to Brookwood or a taxi to the office.
